**Guidelines.** Here are some of the guidelines that we ask you to observe during your time here.

1. **Activities.** Certain activities require trained personnel to be present. All waterfront activities, the ropes course, the climbing tower, the zipline and the pool are to be used only at designated times when they can be safely taught and facilitated. Life jackets (PFDs) must be worn at all times while in a sailboat, canoe, or kayak.
2. **Pets.** For the safety and comfort of everyone in our community, please leave your pets at home.
3. **Smoking.** SB2W is a smoke-free facility. Please help us maintain consistency in our program by refraining from smoking on camp property.
4. **Food.** Please limit food and drinks to the Dining Hall. Glasses, cups, and other utensils should not be removed from the Dining Hall.
5. **Shoes.** For your safety, shoes should be worn at all times except for swimming in the pool. Water shoes or sandals should be worn while at waterfront activities.
6. **Cabin Areas.** For reasons of privacy, we ask that women don't go in to the men's cabin area and men don't go into the women's cabin area.
7. **Phone.** During the weekend, the camp office won't be open at all times. If someone needs to reach you, the office number at the Que is 814.629.1303.
